To whom it may Concern,

I would like to thank BHP for providing the opportunity for Desert Feet to visit Yandeyarra. In my 3 years here Desert Feet has been by far and away the best event we have had in the community. All up I think we ended up with about 150 people who all had a ball.

We are hopeful that we can be included in next year's tour and request a 2 day visit to maximise the community participation.

The band equipment has been well received and now I am trying to establish some of getting a musician / music teacher out her once per fortnight to work with selected kids who have been identified as having an interest and ability. Ideally these kids would be at the point where they could perform at a high level next year.
